

Milton's Seedy Saturday Seed Order Form

Here is how it works:

1. Select your 6 choices from our seed catalogue and fill in form
2. Think about making a donation to cover the costs of seeds, postage & packing. You can donate at this link: <https://miltonseedysaturday.com/sponsor-form>
3. We will select your seeds and arrange pick up in Milton or we will mail out of town orders. It is that simple! Please note, all seed swap selections and orders are on a first come first serve basis.
